EXPERIENCE

MAR 2022 - PRESENT

Software Developer | Arobs | Târgu Mureș, Romania

Throughout nearly 2 years of experience as an Embedded Software Developer, specializing in IPCs, I have gained a deep understanding of programming logic and practices.

Always finishing deadlines ahead of time, I have used my time to delve deeper into debugging at a level close to machine code.

EDUCATION

UMFST "George Emil Palade" from Târgu Mureș, Romania

Bachelor's Degree in Computer Science

COMUNICATION

My work experience in both academic and professional environments has highlighted the importance of teamwork. I enjoy a social atmosphere.
